Double/Joint Degree Program (National & International Applicants)

Oia

The Double Degree Program at Universitas Gadjah Mada (UGM) offers both international and Indonesian students a **unique opportunity to earn two academic degrees, one from UGM and one from a partner international university within a single study period**. This innovative program is designed to provide a comprehensive, globally oriented educational experience, enabling students to expand their academic and professional horizons without extending the duration of the studies.

UGM currently offers **more than 300 double degree programs in collaboration with reputable partner universities worldwide, covering undergraduate, master's, and doctoral levels**. To explore the available double degree programs at UGM, please scan the QR code.
