40. - 42. soruları aşağıdaki parçaya göre yanıtlayın.

Brunch is a late morning meal between breakfast and lunch. If someone is too late to eat breakfast or a specially-planned meal, he or she usually eats brunch. It is usually a more relaxed meal than breakfast or lunch, and appropriate for informal celebrations. Some restaurants and hotels serve brunch, especially on weekends and holidays. A brunch menu usually involves standard breakfast food such as eggs, pancakes, sausages, fruits, pastries, etc. However, it can include almost any other type of food served throughout the day.

40. What is a brunch?

- A) A meal and it is served late in the morning.
B) The time between morning and afternoon.
C) A food and it involves eggs and sausages.
D) A menu and it is served on holidays.
E) The food eaten at informal celebrations.
